

LET ME SPEAK

improving rights for young women

We are looking for girls and young women (aged 12-21)
to take part in a creative research project on
Sat 14th-Sun 15th October in Blackpool

Show us what it's like to be a young woman in 2023

Together we'll discuss the topics that are important to you and explore issues around the rights of women and girls in the UK today.

Working with your ideas, you'll gain a college qualification by creating films, taking photographs and making posters, graphics and zines.

We'll then use these for campaigning to ensure your voices are heard by politicians and decision makers.

 **Join us on Sat 14th-Sun 15th Oct**

No experience necessary and food and travel costs will be covered by us.

If you experience any barriers to taking part, please get in touch and we will do our best to help.
